ABOUT *the* BANDS

In August of 1996, Central Elementary opened its doors as a Kindergarten through 6th grade school. The assistant high school band directors were utilized to start the 6th grade band program in that first year. Those directors were Mr. Parrish Sonnier from East Ascension and Mr. Craig Millet from St. Amant. The following year, Central added 7th and 8th grades and Mrs. Stephanie Musso was hired as the full time band director. Mrs. Musso directed the bands at Central for 17 years until her retirement in 2014.

The Mustang Bands have competed at Louisiana District and State Festivals, The Festival of Champions in Astroworld and Sea World-Orlando, Music In The Parks Festival in Six Flags Over Georgia, and participated in the Disney's Young Musicians Program multiple times. Recently, a combined 7th and 8th Grade Band received the highest ratings, "Sweepstakes Superiors", at the District IV Large Ensemble Festival and the 6th Grade Band received Superior Ratings at the Archdiocesan Band Festival in New Orleans.

Katie Codina is in her ninth year of teaching and her second year as the Director of the Central Mustang Bands. She comes to Gonzales from New Orleans, LA where she spent seven years as the Director of Middle School Bands and High School Marching Band at Holy Cross School. She is a *summa cum laude* graduate of Loyola University-New Orleans with a Bachelor of Music Education. In 2011, Ms. Codina was named "Elementary Band Director of the Year" by the District VI Band Director's Association. She has conducted District and Parish Honor Bands throughout South Louisiana. Ms. Codina is a board member of the Louisiana Bandmasters Association and the newly elected President of the District IV Honor Band Association. Under her direction, the Holy Cross Bands were consistently awarded superior sweepstakes ratings at district concert and marching festivals and a state sweepstakes in 2013, a first for the middle school. The District VI Band Directors Association also recognized the bands as "Exemplary Band Programs" for five consecutive years. Ms. Codina is happy to be at home with the Mustang Bands and looks forward to seeing the program grow and flourish over the years to come.

SPECIAL THANKS

...To Mrs. Hills, Mr. Muse, and the Faculty & Staff
for their support of the band program. You all have gone to such lengths this year to ensure our success and we appreciate it more than you know! Special thanks to the custodial staff headed by Ms. Chicquetta Rodriguez for coordinating the set-up and making sure the gym was ready for our use. Lastly to the all of the CMS Coaches - John Adams, Collin Andrews, Nicole Desouge, and Ashley Gudino - thank you for altering your schedules so the bands could rehearse together. It is much appreciated!

...To all Parents, Guardians, and Family Members
for supporting music education and encouraging your child in their journey to become a better musician. Band is a family affair! These students would not have been as successful as they have been if it were not for you encouraging them to stick with an art that requires so much discipline and grit. Thanks for supplying instruments and reeds, helping with fundraising, picking up after practices, and being a supportive ear during those home practice sections!

*...Dr. Ashley Kelly, Ms. Kristie Smith,
Mr. Chris Hochkeppel and Mr. Jonathan Boswell*
for working to help better our students through individual and small group instruction. We look forward to your weekly doses of inspiration!

...To Ms. Diana Trevino
for sharing her talents with us this semester as a student teacher. Congrats on your graduation from LSU and good luck in your future endeavors!

...To the Members of the Booster Club
who help with so many of the behind the scenes tasks that are required to run a band program: chaperoning, loading the trailer, providing snacks and meals, marching in the parade, counting fundraising monies, and helping out around the band room. We could not be successful without you!

...To Ms. Patti Roussel and Mrs. Nicole Mlyneczak
for always being our biggest cheerleaders, helping out whenever we need it, and lending us several of the instruments and music stands in use tonight!

BOOSTER CLUB

The CMS Band Booster Club has always been an instrumental part of the band program. It was formed in 1997 with Keith Gautreau as the first President. The first project the Booster Club began raising funds for was our marching band tunic tops. By 2000 the Club had raised enough money to order 150 tunic tops for the 7th and 8th grade band students. Since then, the Booster Club has served as a support organization for the band for concerts, parades, and fundraisers.
